We have students at our school with life-threatening allergies to nuts (all tree nuts, peanuts, and sesame). To help protect the safety of our students, we ask that parents please refrain from sending items to school that may contain ANY KIND OF NUT. This includes items that are manufactured in plants that process nuts. You can find this information in the ingredients area of any manufactured food item. Thank you for your cooperation.

Bits and Pieces...

Back-to School Night is September 8th @ 6:00-8:00 p.m. We will start in McCaddon Hall with several brief presentations by Mr. Sickles and Home & School. We will dismiss teachers to finish setting up their rooms. At 6:30 p.m., parents will be dismissed to go to their child(ren)'s classrooms to meet their teachers. There will be opportunities to sign up for volunteer positions to utilize all the talents of our school community.
